Steve Willis training centre are excited to announce that they have some open days booked in at their Burgess Hill site later this year. These are targeted at year 10 and 11 students who are interested in doing a trade apprenticeship after GCSE's. Use the link to sign up. [Steve Willis open days](#)

## Job of the month - Electrician

Electricians maintain and install modern electrical systems such as power, lighting, fire protection, security and structured cabling for all types of buildings and structures. Those with aspirations of becoming an electrician should develop the ability to solve problems and use their initiative.

An excellent Electrician will be able to make and install control panels that control systems in buildings. The individual should use their initiative to also do machine repairs and rewind, fix and maintain equipment.

### **KEY SKILLS**

Can concentrate on small & complicated tasks

Are happy working in busy and chaotic spaces

Are good at planning & organisation

Happy to often work on demand

### **Average salary**

Entry Level - £18,000

Experienced - £42,000 plus

## **Labour Market Information (LMI)**

As part of the regular bulletins, we will be including any labour market information we have available to keep you abreast of where new opportunities are likely to arise as well as what is currently available within the labour market.

The Office for National Statistics link below gives national information that gives estimates as well as regional, local authority and Parliamentary constituency breakdowns of changes in the UK of employment, unemployment, economic inactivity and other employment-related statistics for the UK.
