

Blatchington Mill School

Involvement, Achievement & Care

www.blatchingtonmill.org.uk

Dear Blatch families,

I am delighted to confirm that we will be able to have all students back onsite full time from Monday 19th February. This is because we can now use all of our classrooms up to our East Wing reception area.

Students will be able to enter the school site by all three of our gates and only a small section of the site will remain fenced off.

A few key reminders for our re-opening to all students:

- **All students will need to continue to bring a packed lunch** (we are expecting our canteen to be fully operational from Monday 26th February and will confirm this next week)
- **The timings of the school day will revert to our normal times of 8.40am-3pm** - all students should go straight to form time each morning
- **Room changes** for all form rooms/teaching in our PE, Food and Design rooms, and for other changes needed to accommodate these subjects elsewhere, are now **showing on Edulink**

We will share a more detailed update on the areas still out of use early next week.

In the meantime we hope all families are enjoying their half-term break and we are very much looking forward to welcoming all our students back on Monday.

Best wishes,

Ms Claydon

Headteacher

Blatchington Mill School
