

Blatchington Mill School

Involvement, Achievement & Care

www.blatchingtonmill.org.uk

Dear Blatch families,

We've been delighted today to be able to welcome our Year 8 and Year 9 students back into school and it's been great to see them settling well into their lessons.

We're looking forward to some of our students attending homework club today too.

We hope to be able to start running more of our extra-curricular clubs this week and will share details with you as soon as we can. We're also still running all sports fixtures that we're able to.

A reminder that our Year 11s, Year 10s and Year 8s will be in school tomorrow and all students who are on school site should bring a packed lunch with them as we currently have no catering facilities.

As soon as we're able to we will share any more updates on our school site and when we will be able to use more of it. We really appreciate everyone's patience as we wait for more of the site to be accessible again.

Best wishes,

Ms Claydon.
